

Report of “Biobank Graz” visit July 18 – 19, 2019

Moroccan Network of Biological Resource Centers in Oncology

A visit to 'Biobank Graz' was held July 18- 19, 2019 at the Medical University of Graz. It was an opportunity to launch an eventual new collaboration between Morocco and Austria based on BioBank knowledge sharing.

A Moroccan delegation was defined by:

Pr. EL KHANNOUSSI Basma	Head of the Department and Professor of Anatomic-Pathology - National Institute of Oncology - Rabat
Pr. RAISS Hanane	Head of the Department and Professor of Anatomic-Pathology -University hospital of Marrakech
Pr. BELBACHIR Anass	Head of Regenerative Medicine Centre Professor of Anatomic-Pathology - University hospital of Marrakech
Pr. CHBANI Laila	Professor of Anatomic-Pathology and molecular pathology University hospital of Fez
Pr. CHRAIBI Meryem	Head of the Department and Professor of Anatomic-Pathology - University hospital of Tangier
Pr. OULDIM Karim	Director Cancer Research Institute (CRI) - Morocco Professor of Medical Genetics
Dr. Hamid echakir	Moroccan Network of Biological Resource Centers in Oncology committee expert and Scientist from Paris
Dr. Georges Dagher	Moroccan Network of Biological Resource Centers in Oncology comitee expert and Director of research at Inserm (Paris, France)

The present team of Biobank Graz was defined by:

Pr. Kurt ZATLOUKAL	Head of Diagnostic and Research Center for Molecular BioMedicine
Pr. Karine SARGSYAN	Managing Director of Biobank Graz
Pr. Gregor GORKIEWICZ	Pathologist

Moroccan delegation

Moroccan Biological Resource Centers Network in oncology

Different presentations occurred.

July 18;19, 2019

Cancer Research Institute – Morocco general strategy; Karim Ouldin

Moroccan biobanks strategy

Hamid Echchakir

Basma El Khannoussi

Departments of Anato-mo-Pathology – Morocco

Hassan II University Hospital FES	CHBANI Laila
Department of Pathological Anatomy/Bio Pathology Marrakech	RAISS Hanane
National Institute Of Oncology Rabat	El Khannoussi Basma
Pathology Laboratory in Tangier	Chraïbi Mariame
REGENERATIVE MEDECINE CENTER Marrakech	BELBACHIR Anass
Medical University (MUG) of Graz, Pathology department and biobank GRAZ.	
Pathology Institute Presentation and digital imaging trends	Kurt Zatloukal
Introduction Biobanking & Biobank Graz	Karine Sargsyan
<i>Discussion about opportunities in research and training collaboration regarding the biobanking and digital imaging fields (Cf proposals)</i>	

Visit of BBMRI-ERIC (Biobanking and BioMolecular resources Research Infrastructure, is a European biobanking research infrastructure dedicated to providing researchers with the support they need to find new treatments.

**Andrea M. Wutte
Head Of Quality Management**

Two tours were also held :

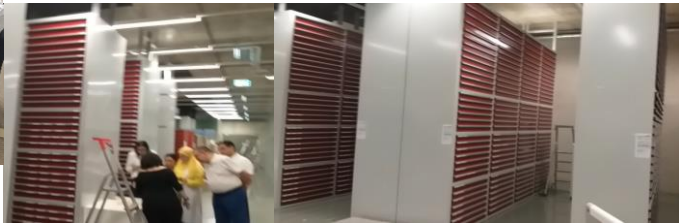

July 18;19, 2019

Institute of Pathology

Gregor Gorkiewicz

Biobank Graz
Karine Sargsyan

Digital pathology
Kurt Zatloukal
